

RECOGNISED SUPPLEMENTARY PERFORMANCES

Athletics New Zealand Regulation C2.6:

1. A list of recognised performances shall be maintained to give recognition to historical performances which are better than the currently listed New Zealand records.
2. To be listed, a performance shall satisfy the following conditions:
 - (a) The performance must be better than the corresponding current New Zealand record.
 - (b) There is good reason to believe that had the performance been made under the present rules it would qualify for recognition as a New Zealand Record.
3. All records in age grades and events formerly recognised by Athletics N Z shall be retained and made available when required.

Further, performances that are hand-timed that are superior to the currently listed New Zealand Record, and performances where an application for a record was either not received or was received out of time are also listed.
