## PROCEDURES FOR SUBMITTING AN APPLICATION FOR A RECORD

### **PLEASE READ EVERYTHING BEFORE SIGNING**

If the performance has been achieved at a competition in one of the competitions listed in CR1.5 & 1.6 of the World Athletics Competition and Technical Rules (pages 33 & 34 of the 2020 edition), or in a permit event ratified by Athletics NZ for selection and international ranking purposes, (listed by World Athletics as being Category OW, DF, GW, GL, A, B, C, D, E, F (<https://www.iaaf.org/world-ranking-rules/basics>)), then **NO APPLICATION FOR A RECORD FOR A PERFORMANCE IS REQUIRED**. The performance will be automatically ratified as a record by Athletics New Zealand based on the official results of the competition.

An Application is required for a record for a performance achieved at a competition other than stated above, and such application, together with the requisite certificates duly completed, shall be made on **the official form and filed with the Athletics NZ National Office** within a period of thirty (30) days [or two (2) calendar months for a performance achieved at a competition held outside of NZ] from the date of the performance.

If you are unsure of whether to complete an Application for a Record, please contact the New Zealand Statistician ([stats@athletics.org.nz](mailto:stats@athletics.org.nz)) to ascertain if an Application for a Record is required.

**The Athlete and the Meeting Secretary where the Performance was set is responsible for completing all of the documentation** and shall send together with the official application form:

- The printed programme of the competition
- The complete results of the event, including the wind speed reading (if applicable)
- The photo finish image (if applicable)

### **General Conditions**

1. The Record shall be made in a bona fide competition which has been duly arranged, advertised and authorised before the day of the event.
2. The athlete achieving the Record must have been eligible to compete under the Rules.

*NOTE: For age-group records the athlete must be under the specified age for the record on the day of the performance.*

3. All Technical Officials in areas of responsibility (see below) shall have at least the same grading levels as required for a NZ Track and Field Championship and no one person may act in more than one Technical position, except a Referee may also act as the Technical Manager.
