

Best Performances and Archived Records (as at 19 May 2022)

Best Performances

Definition for Best Performance

“Best Performances” are valid performances in Track and Field events but where one or more of the following may apply:

- (i) The performance was hand timed and is superior to the posted record for the event OR
- (ii) No application for the record to be ratified was received within the allowable time OR
- (iii) The performance was recorded in an Age Group before that Age Group was created OR
- (iv) The performance achieved was in a competition where the criteria required for the performance to be ratified as a Record was not met.
